This will help you in the evening when caring for your child at home. As you are preparing your bottles and getting their diaper bag ready for the next day, please remember to fill out a pink slip. This will help us during the day. If your child needs any medicine, please write down in detail and sign the pink slip. We will still keep you updated by calling, this way you can contact your child's doctor if needed.

Upper Bucks Christian School and Day care are ministries of Bethel Baptist Church. Here are some other ministries that may prove to be helpful to you.

Moms & Tots

Moms and tots is a program designed for mothers of children preschool aged and younger. It is a time for moms to get together for some much needed fellowship, as well as a time for children to develop friendships with others their own age.

If you're a mother, with children preschool aged and younger, we encourage you to visit one of our Moms and Tots get together. You'll walk away feeling refreshed from your time of fellowship with other moms in the same stage of life!

Meetings: 1st and 3rd Thursday of each month.

Pee Wee Club

The purpose of Pee Wee Club is to teach your child(ren) more about God through His Word to teach songs of praise and to learn some basics about music and choral singing. Pee Wee Club performs at the beginning of Sunday evening services 4-5 times per year.

Meetings: During Sunday evening services, September through May (children are dismissed from the regular service part way through the service)

Ages: 4 years old—2nd grade

Awana

If you're looking for the premier children's program to change your child's life, you've come to the right place! This casual environment capitalizes on your child's desire to grow in knowledge of God's work, and to participate and earn awards through attendance, memory verses and competition.

Meetings: Wednesdays, 6:45-8:15 p.m., September –June

Ages: 3 years old-6th grade

Student Ministries

Mud Pit?, Pillow fights?, and maybe even Late-night Bowling? Let your teen take

part in these activities (and more), and he'll be able to look back at his teen years with fun-filled memories.

Meetings: Wednesdays, 7-8:15 p.m.

*Special activities as scheduled

Ages: 7th - 12th grades
