The school office should be notified of pre-planned absences to determine whether it is an excused or non-excused absence. Absences and tardies will be noted on the student's final grade. There may be an occasion where the class period will be switched due to weather-related or sport dismissal events. UBCS will notify you as early as we can when these occur.

Homeschool students attending UBCS classes will receive a grade at the end of each marking period or in accordance with each student's homeschool requirements with the state of PA.
